Meet Port Sector Decision-Makers from Egypt

USTDA's Business Briefing highlights port infrastructure opportunities in Egypt. to strengthen strategic Egyptian ports infrastructure through the export of U.S. equipment, technology, and services. High-level decision makers will provide U.S. companies with valuable market intelligence about strategic priorities and upcoming procurement opportunities.

BACKGROUND

With ship traffic and cargo processing both expected to increase, the Government of Egypt ("GoE") plans to expand services at the Suez Canal and upgrade existing ports with new cargo management technology and larger berths for vessels and shipping containers.

BUSINESS OPPORTUNITIES

- Network with key decision makers
- Billions of dollars in procurement opportunities
- Learn about strategic priorities and sector plans
- Focus on port infrastructure

ABOUT USTDA

The **U.S. Trade and Development Agency** helps companies create U.S. jobs through the export of U.S. goods and services for priority infrastructure projects in emerging economies. USTDA links U.S. businesses to export opportunities by funding projects preparation and partnership building activities that develop sustainable infrastructure and foster economic growth in partner countries.

Attendance at this event is limited to U.S. individuals, U.S. firms, or U.S. consultants as defined by USTDA's Nationality Source and Origin Requirements available on USTDA's website at <http://www.ustda.gov/>.
